Dear Mr. Weisberg:

Thank you for your letter of September 12, 1977. I believe that a misunderstanding has occurred. The material which you received under cover of my letter of September 9 was forwarded to the Department of State by the Air Force Office of Special Investigations for our review, in connection with the request that you made to the Air Force under the Freedom of Information Act.

The documents were released to you in the same form as we received them from the Air Force, without any deletions being made. I would suggest that any questions that you may have regarding omissions or deletions in these documents be addressed to the Air Force.

Sincerely,

Deborah M. Odell
